Our Vision & Mission

Explore

Powering India's New Era of Event Technology

To redefine the future of events through innovation, creativity and cutting-edge technology, creating immersive experiences that inspire, engage and connect brands, people and ideas.

Our Story

From the UAE to India,
Bringing more magic to every event.

Leap interactive began with a vision to transform ordinary events into extraordinary experiences through technology, creativity and innovation.

With an established presence in the UAE, we brought our expertise and passion for interactive event technology to India, creating experiences designed for a new generation of audiences.

Today, Leap Interactive India brings together Interactive Photo Experiences, Interactive Game Experiences, Holographic Experiences and customized activations to make every event more engaging, memorable and shareable.

What started as a vision in the UAE is now creating unforgettable moments across India.

Client Feedback

 Krisnethnu Pr

Fantastic experience with their interactive setups. The activities were super engaging and everyone enjoyed them. Highly recommend their team for adding fun and creativity to any event.

 Arjun viswam

The Magic Moments team was very accommodating and all our guests had a wonderful experience. Reach out to them to make your event more memorable!! Thank you Magic Moments!!

 Afsal

Magic Moments made our event truly special. The hologram and photo booth experiences were incredible, and the team handled everything smoothly. Creative, professional, and so much fun.

 Shafeeq

Our occasion was considerably more enjoyable thanks to the 360-degree video and photo booth. The crew was professional, efficient, and kind. Everything had an excellent appearance. Very worthwhile.

 Mathew Thomas
